Producer / Facilitator	Council for Watershed Health	Event Format	Virtual
IRWM Region	Greater LA County	Number of Participants	69

Event Summary:

Participants learned about the systems thinking approach to water and land-use planning in relation to the Integrated Regional Water Management and the Safe Clean Water Programs. Attendees heard from local government representatives about how these programs have benefitted their constituents and how communities, especially those facing ongoing economic and environmental distress, can be engaged. Presenters included Max Podemski, Planning Director, Council President Martinez, City of Los Angeles; Teresa Villegas, Vice President, City of Los Angeles Board of Public Works, David Pedersen, General Manager, Las Virgenes Municipal Water District. The session was facilitated by Emily Finnegan and Atley Keller from Stantec.
