

Training Event Summary

Event: Upper San Gabriel River & Rio Hondo Workshop 1

Intended Audience	Public agencies, elected offices	Date and Time	2022.05.18 10am - 12pm
Producer / Facilitator	Council for Watershed Health	Event Format	Virtual
IRWM Region	Greater LA County	Number of Participants	66

Event Summary:

Participants learned about the systems thinking approach to water and land-use planning in relation to the Integrated Regional Water Management and the Safe Clean Water Programs. Attendees heard from local government representatives about how these programs have benefitted their constituents and how communities, especially those facing ongoing economic and environmental distress, can be engaged.
