Event Summary:

This event was the 8th part of a 9-part training session for WaterTalks CBOs in the Greater LA County area. It was also the last of 4 sessions focused on drinking water quality in the LA Region. Presentations to the WaterTalks CBOs included water pollution and drinking water, how to read a Consumer Confidence Report, and Drinking Water in Schools, all provided by engineering and policy staff from Stantec.

Breakout sessions provided discussion and determination of key takeaways to share with community and constituents.
