Event Summary:

This 2-hour training session covered multiple topics including: 1) Water, Culture, & Origin: Providing Indigenous Context; 2) Capitalism, Settler Colonialism, Commodification, and Contamination; 3) Working with Native Nations & Indigenous Peoples Today; and 4) What is Allyship. Coming back from a break of 3 months had its hiccups. It was amazing to have so many people with us, but technical difficulties set us off to a slow start. Overall a productive meeting, with some engagement from those who attended.
