

Post Event Summary

Event: West Boyle Heights / Arts District

IRWM Region	Greater LA County	Date and Time	2/24/2021 9:00:00 AM
Community Engagement Partner	Council for Watershed Health	Location	Virtual for West Boyle Heights
Event Facilitator Contact	Carlos Moran	Community Attendance	15
Event Facilitator Contact Email	carlos@watershedhealth.org	Agency/Elected Attendance	None noted

Description:

The meeting was held in Spanish. Residents were given a brief overview of the WaterTalks program. They were then asked to share about 1) their communities strengths, 2) community needs and 3) water related issues.

Questions / Comments:

Community strengths include parks and park improvements, community and public services, community culture and supportive CBOs. Needs and concerns include trust issues with agencies and CBOs that promise change but don't deliver; drinking water quality issues including lack of education/information, water and soil contamination, cost of water.
