

Event: Van Nuys Listening Session

| IRWM Region | Greater LA County | Date and Time | 3/11/2021 6:00:00 PM |
|------------------------------------|-----------------------|------------------------------|--------------------------------|
| Community Engagement Partner | TreePeople | Location | Virtual for Van Nuys Community |
| Event Facilitator Contact | Maria Adame | Community Attendance | 23 |
| Event Facilitator Contact Email | madame@treepeople.org | Agency/Elected Attendance | Van Nuys Neighborhood Council |

Description:

Residents were given a brief overview of the WaterTalks program. They were then asked to share about 1) their communities strengths, 2) community needs and 3) water related issues. The meeting was available in both English and Spanish.

Questions / Comments:

Community strengths include cultural diversity, large parks, access to bike paths, Lake Balboa recreation area. Needs and concerns include public safety, affordable housing, water and air pollution, limited tree canopy.
