Description:

Residents were given a brief overview of the WaterTalks program. They were then asked to share about 1) their communities strengths, 2) community needs and 3) water related issues.

Questions / Comments:

Community strengths include friendly people, quiet, tree canopy with birds, local hiking and foothill views. Needs and concerns include aging/loss/poor trimming of tree canopy, wildfires, hillside runoff with a lot of car repair shops, localized flooding and lack of stormwater capture.
